

Combi Dust-Free Workstation

DE-COMBI

PRO SPOT
QUALITY WELDING SYSTEMS

Keep the shop clean and the air dust free, while working more efficiently than ever before!

The Combi Dust-Free Workstation makes sanding easier, cleaner, more productive AND saves money. Combining our patented and unique Dust-Free Sanding System with mobility, storage and fast clean up, users can now use 2 Sanders at once and even attach their favorite DA.

- **Mobile**- Slim Design and Easy Glide Wheels help the station move easily around the shop.
- **No Electric Motors**- Prevents explosive risks from heat and sparks.
- **Aluminum Safe**- With Anti-Static Hoses and No Electrical parts, the system is safe to work on aluminum or steel.
- **Very Low Air Consumption**- Only 5-7 CFM
- **Quiet & Saves Money**- Low airflow keeps noise levels low and saves on air compressor & energy costs.
- **Simple Clean Up**- Dust collects in Disposable Vacuum Bags.
- **Double Productivity**- Designed to run Two Sanders at once.
